About Us

SUB-SAHARA MINING AND INDUSTRIAL JOURNAL (SSMIJ) is a prominent quarterly publication that has become a marketplace, communication hub and news source for advancing the mining and Industrial business in Sub-Sahara Africa. SSMIJ focuses on mining and supply chain companies, equipment, construction, Industrial, manufacturing, material handling, emerging markets and technologies.

The magazine serves an advanced and inventive resource for manufactures, exporters, traders and distributors to market their products and provides an easy access for local and international companies to reach their prospective buyers and distributors. Our site brings business executives up-to-date with the latest news, information and trends from across the mining industry in Africa and emerging markets, sending out

Exclusive Content for The Mining & Industrial Sectors

daily and weekly newsletters. You will never miss a story that is affecting your business.

SSMIJ team of qualified staff and informed editors understands the challenges of keeping adjusted to the volatile, uncertainty, complexity and ambiguous (VUCA) business environment and the world in which the mining businesses operate in, therefore we pride ourselves on

ensuring that the information we publish across all our journals is relevant and credible.
